

Attention Parents:

In order for the Black Belt Academy / After School Martial Arts to comply with the State of Virginia licensing requirements, please read and become aware of the following information.

Black Belt Academy / After School Martial Arts is not licensed by the State as a childcare, daycare or any other kind of licensed childcare facility. We are only a martial arts center that provides physical and mental training.

Our curriculum includes only the best in Martial Arts instruction. We do not provide school tutoring of "child care ". Our curriculum includes martial arts classes beginning after school and ending in the evening.

The Black Belt Academy has 18 years of experience, since 1989, and has trained thousands of students. Please be advised that all students of the Black Belt Academy may come and go, to and from the premises as they please.

I have read, understand and approve of this information and facility.
